Dear parents

It has been very pleasant working with beautiful staff for beautiful people. With the onset of pre-monsoon and the departure of scorching heat ,students were excited to attend school. It was a quite encouraging attendance by students on the first day on 26th June after summer vacation. Students were welcomed with welcome song.

The loss whatever of the syllabus due to extension of holidays will be made up by and by with the cooperation of students and faculties.

Hope students and teachers will leave no stone unturned to put up their effort for the best of results in academics. They will bring laurels with flying colors in the competitions held in district, state and national level by participating in all the co-curricular and extra curricular activities.

Awaiting for your valuable suggestions.

With warm regards

Mr. Sanatan Mahaatra

Principal, CNEMS
