### Students of Vikash Junior College brought Glory again

- **Adarsha Kumar Bindal topped in Commerce & secured 7<sup>th</sup> Rank in the State**
- **Ashish Kumar Mishra topped in Science with 524 marks**

Dear parents,

The freshly published results of CHSE Science & Commerce have not only proved the Academic credentials of the students but also the unbound trust of the parents in the innovative teaching-learning environment of Vikash. As some one said: " success is like what you do, and how you do. " Similarly our students and teachers have invested the best of their efforts for a definite success and the results certainly have reflected them and now it is the perfect time to take that success as an inspiration and continue in the path of success for a far cherished glory with an objective to wear out the previous one.
