Dear parents,

The month of September has been quite an eventful one. It began with a very auspicious note with acknowledging the wonderful contributions of teachers in igniting the lamp of knowledge and making our life on this blue planet a better and perfect one. A teacher is indeed a friend, philosopher and guide to a student in every walk of his/her life. At Vikash we salute our teachers for their involvement in shaping the future citizens of a great nation. It's now again the time of festivities and with all major festivals being lined up. I wish you all very happy and enjoyable Navaratra and Dussera. May you all stay blessed with the grace of the Mother.
