NEWS LETTER

Dear Parents,

We are coming close to the end of another session. First year students are appearing their annual examinations. In few days to come our second year students will appear their +2 Board Examinations. The outgoing students have come to this institution with a dream to excel in the +2 examination and now time has come to materialize that. We all the Faculty members are taking the best possible care for the fulfillment of the desired dream of our beloved students with their involvement and whole hearted effort.

INSPIRE SCIENCE CAMP

The promising students of first year science participated at the Inspire Science Camp in NIIST Berhampur from 31st January to 4th February 2017. They participated in seminars, workshops and discussion on different aspects of science. Besides they participated in dance programme. They were guided by Ms Sushanta Lakra, Lecturer in Chemistry.

VASANT PANCHAMI

Saraswati Puja was celebrated in the campus with great pomp and vigor. The students from school and college, teachers and other staff members attended the ceremony. The puja was organised in the ground floor of the Boys' hostel which was beautifully decorated for the puja. Puspanjali to the Goddess was offered by all the students and gathering. Finally Prasad was distributed to all.

A Heart Felt Tribute

A meeting to pay homage to the fathers of management members Late Gunnam Rama Chandra Rao, and Late Dasari Veer Raju was organised. The DVR GRCR Trust is in their name under which Vikash Group of Institutions was established. The portraits were garlanded and offered incenses by the principals and staff in presence of the student assembly.

A VISIT TO THE NEARBY SHIVA TEMPLE ON THE OCCASION OF MAHA SHIVRATRI

A visit to the nearby Shiva temple at Sason was organised for the students. They offered their pujas to the deity. Arrangements were made for their visit to the temple. Fasting on Maha Shivaratri is regarded as a cleansing ritual for the soul and the puja is regarded as the offering of our devotions to God.

CAREER COUNSELING

A Career Counseling Session for the students was organised. Mr Purnendu Mishra and Jc RSV Krishna were the speakers at the occasion. The need for career counseling is necessary at the higher secondary level after which the students diverge into different branches of study. The aim of the programme was to focus on every aspect so as to help the students in making the right choice for a successful career.

GUIDANCE FOR THE +2 APPEARING STUDENTS

The teachers offered round the clock guidance to the +2 appearing students in morning, afternoon, evening and post-dinner sessions. Individual care for the students according to their standards, have been provided. Care has also been taken to ensure proper food and rest to the students. We offer our best wishes to the students for their optimum performance in the council examination.

Thanks & Regards

Principal, VJC, Sason, Sambalpur.
