The Management of Vikash Group of institutions firmly believes that teachers are the pillars on which the future of the blooming buds of Vikash depends. Continuous professional Development Programmers for the faculty members is the key to success of the group. Regular updating of pedagogical practices & lesson plans helps the teachers to compete with their counter parts.

The Year 2021-22 was like a game of hide and seek with the school opening and closing due to the pandemic. But the “never say no” attitude of the teachers and management and the unique ability to adapt quickly to new normal is the foundation of faith of parents on Vikash education. Accepting the challenges as an opportunity to explore new things helped the school to impart quality education even in ruffled pandemic situation. Educating the children through online or virtual mode using the available online platforms and conducting the exams through **ViKash Vidya** was a landmark victory over Corona. Students were regularly provided assignments, study materials, and doubt clearing opportunities through Vidya portal.

Every advise or training provided by CBSE was taken up seriously such as adopting "Alternative Academic Calender” so as to make education even in the online mode equally enjoyable.

The above successful journey through the troubled pandemic period was only because of the fore sightedness of the entire Management of Vikash Group of Institutions under the dynamic Chairman Sir and all other Visionary members.
